on perusal of counter-claim it appears that the plaintiff in counter-claim and defendant No.1 to 4 in original plaint has file counter-claim against the co-defendant and two additional parties, present suit is for partition and separate possession. Impleading additional parties in a counter claim is only permissible if these parties are necessary for complete decision on the issues. Similarly counter claim against the co-defendant may be allowed due to nature of the suit. In present suit additional parties i.e Ramesh joshi & sanjay joshi are son of deceased daughter of Rameshwar, who is father of def. No. 6 & 7. Hence they are necessary parties in suit. Hence issue summons against them as well def. No. 6 & 7.
