They further submit that a Central Government Scheme named as "Sakshar Bharat Karyakram" was floted, under which 365 districts

across India were selected to provide education to men and women. In implementation of the said scheme, the respondent authorities appointed coordinators (Prerak) on an honorarium basis, which was initially fixed at Rs.700/- and subsequently enhanced to Rs.2000/-. The petitioners in these writ petitions were appointed as 'Preraks' following the due process prescribed under the scheme. It is further submitted that the duties of the petitioners involved conducting regualr classes for men and women on a door-to-door basis and providing continuous encouragement to them to join the mainstream of education. The petitioners performed their duties from the year 2009 until 2017. The petitioners were paid a low honorarium and, subseuently, when the scheme came to enhance, their services were neither continued nor absorbed by the respondents. It is furthther submitted that although different schemes have since been floated by the respondents, the petitioners despite having nearly 8 years of experience in the same field, have been deprived of appointments under such schemes. They further submit that, as per the return filed by respondent/ State, an identical scheme with a different name is currently being continued by the respondents. Thus, it is argued that the cases of petitioners ought to have been considered by the respondents for either absorption or continuation in the subsequent scheme, titled "Nav Bharat Saksharta Karyakarm". In support of these contentions, reliance is placed upon the decision of Hon'ble the Supreme Court in the case of **Mohd. Abdul Kadir and others Vs. Director General of Police, Assam and others** reported in **(2009) 6 SCC 611** wherein the Supreme Court observed as follows:-

> *"17. When the ad hoc appointment is under a scheme and is in accordance with the selection process prescribed by the scheme, there is no reason why those appointed under the scheme should not be continued as long as the scheme continues. Ad-hoc appointments under schemes are normally co-terminus with the scheme (subject of course to earlier termination either on medical or disciplinary grounds, or for unsatisfactory service or on attainment of normal age of retirement). Irrespective of the length of their ad hoc service or the scheme, they will not be entitled to regularization nor to the security of tenure and service benefits available to the regular employees. In this background, particularly in view of the continuing Scheme, the ex-serviceman employed after undergoing selection process, need not be subjected to the agony, anxiety, humiliation and vicissitudes of annual termination and re-*

engagement, merely because their appointment is termed as ad hoc appointments.

18. We are therefore of the view that the learned Single Judge was justified in observing that the process of termination and re-appointment every year should be avoided and the appellants should be continued as long as the Scheme continues, but purely on ad hoc and temporary basis, co- terminus with the scheme. The circular dated 17.3.1995 directing artificial breaks by annual terminations followed by fresh appointment, being contrary to the PIF Additional Scheme and contrary to the principles of service jurisprudence, is liable to be is quashed.

20. The PIF Scheme has been in force for nearly five decades. PIF Additional Scheme has been in force for more than two decades. The object of the Scheme is detection and deportation of illegal immigrants/fresh infiltrators/re- infiltrators, establishment of second line of defence on Assam Bangladesh Border to man the areas not covered by Border Security Force and monitoring the occurrences on international border. The staff entrusted with such sensitive functions and duties can work wholeheartedly and with commitment in adverse and hostile conditions only if they have security of tenure, without having to constantly worry about their future. If the task under the scheme is perennial, there is no point in executing it as a 'temporary' Scheme, though to start with it might have been thought that the task was a short term task.

20. We are conscious of the fact that the issue is a matter of policy having financial and other implications. But where an issue involving public interest has not engaged the attention of those concerned with policy, or where the failure to take prompt decision on a pending issue is likely to be detrimental to public interest, courts will be failing in their duty if they do not draw attention of the concerned authorities to the issue involved in appropriate cases. While courts cannot be and should not be makers of policy, they can certainly be catalysts, when there is a need for a policy or a change in policy."

5. Thus, it is submitted that the relief as sought by the petitioners may be granted.
6. Per contra, opposing the submissions made by counsel for the petitioners, learned counsel for respondents submit that the scheme under which the petitioners were appointed as 'Prerak' was primarily funded by the Central Government and at present, the scheme has come to an end though certain other schemes have been subsequently initiated by the respondents, the petitioners cannot claim a right to be appointed under any subsequent scheme as a matter of course.
7. At this stage, Mr. Kotecha submits that for the present these writ petitions may be disposed of by granting liberty to the petitioners to make a representation for consideration of their cases for appointment to the post of 'Prerak' under the scheme currently being floated by the respondents. He further submits that the respondents may be directed to consider the pervious experience and conduct of the respective petitioners in light of the judgment of Supreme Court in the case of **Mohd. Abdul Kadir** (supra). This preposition has not been opposed by learned counsel for the respondents.
8. Heard learned counsel for the parties and perused the record.
9. The scheme under which the petitioners were initially appointed has come to an end. A perusal of the return filed by the respondents, particularly Para 7, reveals the statement by the State/ Government that the scheme, namely ‘Sakshar Bharat Karyakarm’ under which the petitioners were originally appointed, has been replaced by the 'Padhna Likhna Abhiyan' scheme which was made in force with effect from 05.10.2020. Subsequently, that scheme was replaced by the 'Nav Bharat Saksharta Karyakarm', which came into force on 01.04.2022. The return filed in the year 2026 indicates that the 'Nav Bharat Saksharta Karyakarm' remains in force and involves functions similar in nature to the previous scheme under which the petitioners were earlier appointed. It is evident that the petitioners performed their duties from 2009 to 2017, during which time they acquired significant skills and experience in this field. This skill and experience may be considered an additional asset by the State Government for taking benefit of such scheme. From perusal of Annexures it appears that the scheme is continued for a period started from 2022-2027.
10. In view of the foregoing, and as submitted by the learned counsel for the respective parties, this Court is inclined to dispose of these writ petitions with liberty granted to the petitioners to make representation to respondents No. 2 and 5/ Competent Authority within a period of 30 days from the date of receipt of a copy of this Order. Upon receipt of such representation, respondents No. 2 and 5/ the Competent authority is directed to take a decision within a period of 120 days from the

date of receipt of copy of this order. It is further observed that the representation shall be decided objectively, taking into account the previous experience and skill of the respective petitioners, their suitability for the current program, and the legal principles laid down by the Supreme Court in the judgment cited above.

11. With these observations and directions, the present writ petitions stand disposed of.
