1. Learned counsel for the petitioner after arguing the matter at some length made a limited prayer that since the respondents without issuing any show cause notice to the petitioner as regards the change of the category of the electricity supply connection have changed the category and made the demand, the petitioner may be permitted to make a representation to the respondents-corporation as regards her grievances of change of the category of the electricity supply connection and demanding the charges according to the changed category.

2. Taking into consideration the material facts of this case that no notice for change of category of the electricity supply connection is said to have been issued to the petitioner by the respondents-corporation, the Court feels that ends of justice would meet if the petitioner is allowed to make a representation to the respondent-authorities as regards her grievances pertaining to change of the category of electricity supply connection and demand of charges as per the changed category.
