Arising out of Cheria Bariyarpur P.S. Case No-69/2001

Order

01.11.2023	Sole accused of this old case case Anuj Ishwar is in attendance and present in the court. Perusal of the this old record shows that vide order dated 19.12.2022, the prosecution was warned for closing the evidence. It also shows that summons were issued on 29.08.2019 against I.O and doctor. It also shows that the ld. APP was made to see the order of latches on the part of the prosecution on 25.04.2019. I also find that for prosecution evidence D.O. letter was issued to S.P Begusarai. Dasti summon was also given on 10.07.2017 to ld. APP; and all has fetched no result. It is pertinent to mention that the court is not the prosecution. It is the prosecution who is to pursue its case. Now last chance is afforded to the prosecution and if the prosecution does not adduce the evidence the case of the persecution shall be closed and the old record be disposed of. Put up record on 01.12.2023 for prosecution evidence as a last chance. Let this order be seen by ld. APP. Addl. Distt. Sessions Judge, Manjhaul
