Misc. Arbitration Money Execution Case No.- 96/2023
HDFC Bank Limited Vs Rishav Prasad.

13.08.2026 Pairvi is made on behalf of decree holder while judgment debtor is absent.

On perusal of record it transpires that instant Misc. Arbitration Money Execution case is of the year 2023 which came to be filed on behalf of decree holder HDFC Bank Ltd. against Rishav Prasad on 03.06.2023 and after admission on 24.07.2023 the decree holder was directed to file requisites of notice to be issued against the judgment debtor. Record reveals that notices were issued through Nazarat as well as registered post and the service report dated 30.08.2023 shows that it was not served upon the judgment debtor on account of his absence at the address noted in the notice. This Service report was attached with the record on 31.08.2023 whereafter this Court, on 30.01.2025, directed the decree holder to take step for appearance of judgment debtor but in spite of lapse of more than eighteen long months and repeated directions given on several occasions the decree holder has failed to take any step for appearance of judgment debtor, and, thus failed to comply the order of the Court. It shows that decree holder has completely lost his interest in complying the order of this Court and has been making parivi as mere formality. Record also reveals that decree holder has been irregular in making pairvi in this case. As such, this Misc. Arbitration Money Execution case is hereby ***dismissed*** for want of compliance of the order of the Court.

Office Clerk is directed to deposit this record in accordance with law.
