02-05-2026 Contd.P/2	was subsequently referred to Mayaganj Hospital, Bhagalpur where he is currently undergoing treatment. According to informant, reason behind the incident is that the accused persons want to grab the land belonging to him. The Learned counsel for the petitioner submitted that she is innocent and has committed no offence and has falsely been implicated in this case with malafide intention of the informant. He further submitted that there is delay of about 10 days in lodging of FIR without any cogent explanation which creates doubt regarding the genuineness of whole prosecution story. He further submitted that this case is nothing, but counter blast of the case filed by one of the co-accused. He further submitted that there is land dispute between the informant and the petitioner. On these grounds, prayer has been made to grant anticipatory bail to the petitioner. The learned Additional Public Prosecutor for the state vehemently opposed the prayer for bail. Heard both sides, perused the case record and case diary. Injury Report of Akhay Kumar @ Akshay Kumar has been mentioned at para 30 of the case diary, which reveals, laceration wound on frontal to parietal region, laceration wound on left hand proximal phalanx, laceration wound on left shoulder, abrasion on right thigh and doctor opined the nature of injury is simple by HBS and weapon used is lathi. At para 51 and 52 of the case diary, the statements of independent witnesses has been mentioned and from perusal whereof it transpires that the main reason for the dispute is division of ancestral land and there is long standing dispute between the parties and the present case is offshoot of pre-existing civil dispute. This case is counter case of Sultanganj P.S 512/2025 which was lodged by the one of the co-accused of this case and the petitioners of Sultanganj P.S 512/2025 have already been granted anticipatory bail vide order dt. 05-01-2026 in ABP-2736/2025 by the Court of Ld. Additional Sessions Judge-XVI, Bhagalpur. Further, dispute between the parties appears to be mutual in nature and people from both sides were injured in the incident. Para 14 of the case dairy reveals that petitioner bears clean antecedent. Other co-accused petitioners have already been granted anticipatory bail vide order dt. 23-02-2026 in ABP 2717/25 by the then predecessor of this Court. Therefore, considering the facts and circumstances of the case as discussed above, the anticipatory bail application of petitioner is allowed. It is ordered that in the event of arrest or surrender before the learned court below within four weeks from the date of receipt/production of this order, the above-named petitioner shall be released on
