He further stated that all the sections as alleged against the petitioners are bailable except U/s 118(1), 109 of BNS and allegation under this section is ornamental in nature. He further submitted that two of the other co-accused persons have already been granted anticipatory bail by the then predecessor of this Court. Hence, it is prayed to enlarge the petitioner on anticipatory bail. The learned Additional Public Prosecutor for the State has opposed the prayer for anticipatory bail but he conceded the fact that two of the other co-accused persons have already been granted anticipatory bail by the then predecessor of this Court . Heard both sides. Perused the case diary. From perusal of case diary it appears that para 19 of the case diary is the injury report of Saurav Kumar reveals nature of injury is simple and caused by hard blunt substance. Injury report of Gaurav Kumar reveals fracture in 5th metacarpel. Injury report of Dhrabendra Kumar @ Dharmendra Kumar reveals nature of injury is simple and caused by hard blunt substance. Further, it appears that both the parties are gotiya of each other there is family dispute between informant and accused persons and there is case and counter case between them. The assault has been inflicted by both the parties to each other due to family dispute and both the parties have got injured. Moreover, other co-accused persons have been granted bail by the then predecessor of this Court in which there was direct allegation against one of the co-accused to attack with talwar and anticipatory bail of the petitioner stands on better footing. Therefore, considering the facts and circumstances of the case as discussed above, AND the anticipatory bail application of petitioner is allowed. It is ordered that in the event of arrest or surrender before the learned court below within four weeks from the date of receipt/production of this order, the above-named petitioner shall be released on bail on furnishing bail bonds of Rs. 10,000/- each with two sureties of like amount each to the satisfaction of learned trial court subject to the conditions as laid down u/s 482 (2) of B.N.S.S. with further condition that the petitioner will co-operate in the investigation/trial and they must not use their liberty to influence the trial.
