**ORDER**

**10-06-2026** 1. Vide this order, regular bail application bearing No. 1538/26 filed on dated 23-05-2026 on behalf of applicants/accused persons namely **Rehana Khatoon, Afsari Khatoon, Amara @ Amantara, & Chandmohani @ Khusmuda** who are in Judicial custody in connection with the above mentioned case since 07-05-26 is being disposed off.

2. Factual matrix of the present case is that on 04-05-26, during the Kalash Yatra organized as part of the Shri Vishnu Mahayagya at Bhandar Village under Pachpakri Police Station, when the procession reached near the main mosque, a dispute arose regarding the use of a DJ Sound system, which had been prohibited. The administration attempted to stop the DJ, but the participants in the procession refused to comply with the instructions. Thereafter, tensions escalated between members of the two communities, and provocative slogan-shouting began. The administration and police made efforts to persuade both sides and maintain

peace, but neither side complied with the directions. Meanwhile, rumors spread, resulting in a larger gathering of people and further aggravating the situation. Subsequently, stone-pelt-ing started between the two groups, leading to panic and a violent clash. The miscreants used sticks, stones, and other weapons, vandalized nearby houses, and also attacked the ad-ministrative and police personnel present at the spot. Several persons from both communi-ties, police personnel, and the magistrate sustained injuries, and a government vehicle was damaged during the incident. After the arrival of additional police forces and considerable efforts by the administration and police, the situation was eventually brought under control.

3. In the nutshell, it is argued on behalf of the applicant/accused that no bail petition of any kind has been filed earlier in this court or any higher court, has no criminal case is pending against them but is quite innocent, has committed no offence as alleged and has been falsely been implicated in this case at the instance of their enemies with a view to extort and blackmail them. It was further argued that the Petitioner No. 1 to 3 are not named in the FIR and the name of the petitioner no. 4 stand in the FIR at Sr. No. 151 and 157 which shows the false allegation on petitioner in the FIR. There is no general and vague allegation accordingly, prayer for grant of Bail was made as they are in custody since 07-05-26 with-out any fault.

4. On the other hand, learned Additional P. P. for the state very vehemently opposed the bail petition however, no substantive argument was made on his behalf.

5. I have heard all the sides and gone through the record.

6. At this stage, it may be noted that the case has been registered for offences related to riot-ing, unlawful assembly mischief and disturbance during the religious procession by use of deadly weapons, damaging the properties and disturbance of public peace & communal harmony, but these petitioners are women and having no criminal history. There is no spe-cific allegations against them nor they have any previous track record of involvement in similar nature of case. The petitioners are incarcerated since 07-05-26 and no purpose would be served to keep them behind bars.
