16.06.2026

Present :

For the petitioner --: Sri Kailash Roy, Ld. Advocate

For the State-----: Sri S. B. Ojha, Ld. Public Prosecutor

The present petition for anticipatory bail has been filed on behalf of the petitioner Akash Kumar @ Bora Manjhi apprehending his arrest in connection with Chandauti P.S. Case No. 441/2025 registered for the offence punishable under section 127(1), 115(2), 351(2), 352 and 3(5) of the BNS.

The prosecution story as per the informant in brief is that on 16.12.2025 at about 08:30 p.m., informant's brother Jitendra Kumar was returning home from work at Manpur. When he reached near Kandi Nawada Bhui Toli, he found a motorcycle parked on the road and requested the persons present there to remove the same. It is further alleged that upon such request, the accused persons started abusing the victim and thereafter jointly assaulted him. It is further alleged that the petitioners assaulted the victim with an iron rod causing serious injury on his forehead, due to which he became unconscious and fell on the ground. The informant thereafter reached the place of occurrence and found his brother lying unconscious in an injured condition. The injured was subsequently admitted to the hospital for treatment.

Ld. counsel appearing for the petitioner submits that the petitioner is innocent and has falsely been implicated in this case due to previous animosity.

Ld. counsel further submits that there is no specific allegation against the petitioner. He further submits that during the course of free fight, some injuries might have been sustained by both sides of the parties but there was absolutely no intention to cause death or to cause any significant injury to anyone. He further submits that the petitioner carries no criminal antecedents hence, the prayer for bail of the petitioner may be considered favourably.

Ld. P.P. vehemently opposed the prayer for bail submitting that the petitioner is named in the FIR. He further submits that as per Para- 6 and 7 of the case diary, the witnesses have supported the incident. He further submits that as per the injury report, the injury is described as "linear minimally displaced fracture seen in nasal bone", the nature of which is opined as grievous caused by hard and blunt substance, hence the prayer for anticipatory bail should not be entertained.

Having considered the submissions and perused the case diary, it appears that the accusation against the petitioner is of serious nature. Further, as per Para- 6 and 7 of the case diary, the witnesses corroborate the allegations. Furthermore, upon perusal of the injury report, the injury is described as "linear minimally displaced fracture seen in nasal bone", the nature of which is opined to be grievous caused by hard and blunt substance.
