Counsel for the petitioner :----- Sri Anmol Raj, Advocate

Counsel for the Opposite party :----- Sri Deobansh Giri, P.P.

22.05.2026	Order	Remarks
	Bail petition filed on behalf of the petitioner namely 1- Aashma Khatoon, who is in judicial custody since 15-04-2026 in connection with Sidhwalia P.S. Case No. 32/2026, registered U/s 103, 85, 61(2) of B.N.S. is put up for hearing. The above case was registered on the written application of Moti Miyan is that his daughter was married to Shalauddin Ansari on 24.03.2014 and was subjected to harassment by her husband, mother in law and sister in law over domestic issues. A dispute had recently arisen regarding money being paid for the upbringing of her son, due to which she was allegedly threatened with dire consequences. On 28.01.2026, sister in law alongwith her husband of the informant's daughter were stated to have visited her matrimonial home and the deceased had expressed apprehension of some untoward incident. On 29.01.2026, information regarding her death was received, where after the informant reached her matrimonial house and found that she had allegedly been strangled to death, with injury marks present on her neck. Hence, the present F.I.R. Learned counsel appearing on behalf of the petitioner argued that the petitioner is innocent and has been falsely implicated in this case. Learned counsel further argued that the petitioner has no criminal antecedent. Learned Counsel further argued that the prosecution story is totally false, fabricated and concocted. With these arguments learned counsel for the petitioner prayed for grant of regular bail to the petitioner.	

<u>Contd.</u> <u>22.05.2026</u>	Ld. P.P. for the State opposed the bail prayer of the petitioners. Heard both the parties and perused the Trial Court record. The petitioner is seriously alleged, along with other co-accused, to have compelled the deceased, and the case concerning the alleged suicide. As per para 22 of case diary, the postmortem report stated that hyoid bone was fractured and cause of death was Asphyxia due to hanging. The role of the petitioner is yet to be fully ascertained. Moreover, the investigation is still under progress. At this stage, this is not considered a fit case for grant of bail, as it may adversely affect the progress of the investigation. Keeping in view the seriousness of the offence, I am not inclined to grant the petitioner on regular bail. Accordingly, regular bail petition of the petitioner is hereby rejected with a condition that the petitioner may renew his prayer of bail after framing of charge.
