

In the Court of District and Addl. Sessions Judge-I, Gopalganj

S. Trial No. 686/2017

State Vrs Rajesh Singh and others

19-09-2025	Order	Remarks
	Petition dated 16-07-2019 filed U/s 311 Cr.P.C./ 348 B.N.S.S. read with Section 137 of the Evidence act/ on behalf of the defence to recall all the P.Ws who have have been already examined and cross-examined. The ground of recall has been stated that certain question has not been asked from Madhuri Devi and other witnesses. No rejoinder has been filed on this petition by the State. Heard the State but no one turned up for the defence side. Since, last 6 years this petition is pending. There is no merit on the petition above to recall the witnesses for further cross-examination because all the witnesses have been fully cross-examined by the defence and full opportunity has been given so, there is not ground to recall all the witnesses. Therefore, the petition dated 16-07-2019 is devoid of any merits and the same is rejected. (Dictated) (Kailash Joshi) A.S.J.-I, Gopalganj
