U/s- 13 (B) of the Hindu Marriage Act 1955

J U D G M E N T

1. The petition for divorce U/s- 13(B) of Hindu Marriage Act, 1955 has been filed on behalf of the petitioners, who are wife and husband, namely Soni Kumari /applicant No. 1 and Rohit Kumar Verma /applicant No. 2 for passing a decree for divorce on the ground of mutual consent.

2. The case of the applicants in brief is that the petitioner no.1 Soni Kumari is the legally wedded wife of petitioner no. 2. Their marriage ceremony was solemnized on 2nd May 2022 as per Hindu Rites & custom with the consent of both the parties and their parents as both the applicants were major at the time of marriage. After solemnization of marriage both the applicants started their conjugal life at village – Aliganj, P.S – Chandradeep, District - Jamui within the jurisdiction of this court. After marriage applicant no. 1 resides only for 5 to 6 months with applicant no. 2 at her Sasural but due to some arrogant behaviour, marital life was not consummated and thereafter both the parties living separately with their parents since about 2 years. Best efforts were taken by the parents started of the parties for happy conjugal life but due to determination and arrogance of both parties the marital relations could not succeed. Both the applicants are issue-less and now they are not ready to continue their marital life, reason best known to them. The parents of both the applicants have

consented them to take mutual divorce and thus the parties have mutually agreed to live separately from ownership property and residence and not to live as husband and wife any longer. Both the petitioners and their relatives settled for permanent alimony for life of applicant no. 1 worth of Rs. 6,34 ,000/- (Six Lakh Thirty Four Thousand), which the applicant no. 2 has paid to her. The applicant no. 1 will never claim in her life to be the wife of applicant 2 and also not claim her maintenance from the applicant no. 2. Similarly, applicant no. 2 will also not claim the applicant no. 1 as his wife from today. After dissolution of marriage both the applicants will not claim any properties against each other in future. This mutual divorce petition is being filed without any threat, coercion or undue influence. Due to above reason both the applicants decided to file this petition and thus they are filing along with the proof of marriage. Both the parties pray for the following reliefs :-

- a) A decree be passed by dissolving the marriage of the applicants on mutual consent.
 - b) Decree of divorce be passed without any cost.
 - c) Any other relief or relieves which this Court deems proper be passed.
3. The applicant No. 1 and applicant No. 2 have filed affidavits and submitted that both the parties have agreed for mutual divorce.

FINDINGS

4. From perusal of case record, it appears that the petition for mutual divorce has been filed on 04.07.2025 and thereafter case was admitted on 22.01.2026 and counseling was done between the parties but could not produce the desired result. After passing of six month cooling period and finding that there was no possibility of reunion of parties, statement of both the parties were recorded on the motion of the parties.

5. Both applicant no. 1 Soni Kumari and applicant no. 2 Rohit Kumar Verma have stated that their marriage was solemnized on 02.05.2022 according to Hindu Rites and Customs but two year prior to filing of the present divorce petition they are living separately and for the last 2 years they are not living as husband and wife. Now it is impossible for them to live as husband and wife. So it is better for them to lead independent life by taking divorce from each other. They have filed this petition on mutual consent without coercion, undue, influence or threat in fit mental state. They have no objection if divorce is granted to them. Applicants are issue-less. Both the applicants and their
