

:: Order below Ex. 1 in Sp.C.S.No. 22/ 1995 ::

Looking to the record of the case, it seems that plaintiff has not appeared to the court and also it transpires that this Special Civil Suit is pending for plaintiff's evidence. Today, plaintiff has not remained present in the court, when called out. The plaintiff's side have not given an application for adjournment. Sufficient opportunities have been given to the plaintiff. In spite of that, the plaintiff has not taken care to evidence. Thus, it can be said that the plaintiff has no interest to proceed the Special Civil Suit. In absence of the plaintiff, this Special Civil Suit is ordered to be dismissed for default under Order 17 Rule 1 of Civil Procedure Code and disposed of accordingly.
