Vs.

Dist. Judge

11.9.15

Parties are absent.

Case called out.

Nobody appeared on behalf of parties.

Perused the record, it appears that in spite of order given by Ct. lawyers for both parties, none of them appearing for hearing on delay condonation petition as well as admission of Appeal. Sufficient time has already been given and on last date, last chance was given but even today none appeared on behalf of parties. It appears that they have lost interest in the Appeal.

As such, this Title Appeal is dismissed.
