Complain Case No.- 1544/2025

Kamini KumariComplainant

Vs

Lakshman MahtoAccused

Order

20-01-2026

Today, the record is put up before me. Attendance on behalf of complainant has been filed. Perusal the case record. From perusal of record it appears that neither S/A of complainant nor any witness has been examined. During pendency of the case the dispute was settled on the compromise between the both parties, peace and goodwill have been established between them and complainant is not ready to proceed the case against accused. Consequently, the complainant filed a withdrawal petition on dated 19-01-2026. Complainant physically appeared in the court and admitted the factum of compromise.

Thus, considering the above fact and circumstances of the case specifically the withdrawal petition I am of the view that the complaint is liable to dismissed as withdrawn.

O/C is directed to deposit the record into the Record Room as per rule.
