

ORDER BELOW EXH.1

Today the complainant has appeared before the Panel of National Lok Adalat. He is duly authorized to settle/compromise the case in today's Lok Adalat. He has submitted that the accused had already paid fine amount levelled against him. The amount has been credited to the State. Therefore, he prayed for disposal of the case. He filed a pursis to that effect. In such a circumstance, there is no point to keep the case pending on record as the accused had already paid the fine amount. Hence the following order.

ORDER

The case is disposed of in view of the fine already paid by the accused.
