

IN THE COURT OF CIVIL JUDGE (JR. DIV.)
BAISI, PURNEA

Sk Sonai & Ors vs Mojib and Ors.
TS No 29/2013

02.02.2023 Plaintiff absent.

Perused the record. It is observed that matter is at the stage of argument since long. The Plaintiff has been absent since more than 10 dates. 21.07.2023, he was given last chance to appear and proceed ahead with the case. Furthermore, taking into account the advance stage of the matter, the court motion notice was also issued to the parties. However, on next dates of the matter, none of the parties chose to appear. Under such circumstances, this court is of considered view that Plaintiff has no interest in continuing ahead with the instant matter and giving further adjournment is not just and proper. In view of the same, this Court, in the interest of justice, deems it fit to dismiss the instant suit .

The case stands disposed off as dismissed. O/c to deposit the case record in record room in accordance with rule.
