It is argued on behalf of the accused petitioner that the petitioner is not named in the FIR and his name came in this case during investigation on the basis of confessional statement taken by the police by forcely. It is further argued that the petitioner was not put on T.I.P and nothing has been recovered from his conscious possession. The petitioner is in judicial custody since 14.04.2026. It is further argued that in this case even investigation has already been completed and save and except the confessional statement no any incriminating material came against this petitioner in, hence prayer is made to enlarge the petitioner on bail. On the other hand the ld. APP appearing on behalf of state has opposed the prayer of bail. Having heard both sides, perused the case record and found that the petitioner is in judicial custody since 14.04.2026 and he is not named in the FIR even remaining custody for 90 days he was not put on T.I.P and nothing has been recovered from his conscious possession which would incriminate the petitioner in this offence, hence considering the facts and circumstances of the case and also the facts that except this case the petitioner has no any criminal history, the petitioner is directed to be released on bail after furnishing bail bond of 4,000 with one surity of like amount.
