12/ 23.04.2026

Attendance has been filed on behalf of applicant.

Case called out several times but none turned
up.

Perused the record. From perusal of the order
dated 26.06.25 it appears that the applicant was directed to
remove the defect raised in Sheristedar report and file a

copy of probate petition for obtaining valuation report but in spite of several directions given by court the applicant did not comply the said order till date. Further that today also the applicant is not present nor any adjournment application has been filed on her behalf. Applicant, it seems, is not at all interested in this case.

And therefore the Probate Case is **dismissed for default.** (Dictated)
