**ORDER**

**10.03.2026:** No hazri / pairwi filed on behalf of the plaintiff. In this case both parties are absent since last several dates.

From perusal of the record it also transpires that since last several occasions the plaintiffs are being given indulgence by this court in spite of which today also there are no proper pairwi on behalf of them. This shows that the plaintiffs have lost their interest to pursue this suit. Hence, this suit is dismissed for default for want of non appearance of the plaintiff.

Pending application(s), if any, stands disposed of being not pressed for or having become infructuous.

This order is pronounced in the open court.

File to be consigned to record room after due compliance.
