

**IN THE COURT OF ADDITIONAL SESSION JUDGE-III,
VAISHALI AT HAJIPUR**

(Claim Case No. 114 of 2012)

08.01.2024

ORDER

Ld. Counsel Rajiv Ranjan Sinha appear on behalf of O.P. No. 3 Oriental Insurance Company through Vakalatnama filed on 12-03-2019. He filed a petition that the dead body has been received by the Choukidar and statement the same may be filed by the applicant and record is fixed for hearing.

After perusal of petition it is transpired that charge-sheet has already been submitted in aforesaid case bearing its number as Motipur P.S. Case No. 111/2005 hence the demand of statement which is not on the record is basically lingering attitude by the company itself and case record is fixed for hearing for long time. The W/S has not been filed it shows of insurance is very casual towards doing his duty. Hence, the petition is hereby **rejected**. With a caution that in future the company must come with a clean hand. However, a last chance is given to the company to file the W/S.

Put for hearing on.....
