2. Heard learned Public Prosecutor for the State assisted by learned counsel for complainant and learned defence counsel(s) for convicts **Deepak, Rajender Singh alias Raj Kumar, Sunil, Sunita** and **Vicky** on the question of quantum of sentence.

and the **loss of human life**; the deceased Jagdish had died due to **ante-mortem blunt force injuries** and that act was committed by entering into the room situated in the field of Jagdish within the area of village Garhwali, which aggravates the culpability of the convicts. It is contended that a **deterrent sentence** be imposed to reflect the gravity of the offence and its impact on the victim's family and society.

4. **Per contra**, learned defence counsel has submitted that considering the age and background of the convicts, and other circumstances of the case, they may be dealt with as leniently as possible. It is further argued that the convicts are the members of one family and that the case does not fall within the category of the "rarest of rare".

Joint statement of convicts-accused Deepak, Rajender Singh alias Raj Kumar, Sunil, Sunita and Vicky also recorded, vide which they stated that they are members of one family and prayed for leniency in the matter of their sentence, in the present FIR.

5. This Court has carefully considered the nature of the offence(s), the manner in which it was committed by the above-named convicts and its impact on the family and society. The convicts have caused simple as well as grievous injuries to complainant Rajesh and fatal injuries to Jagdish by entering into the room situated in his fields, in the area of village Garhwali which has resulted into his death. The present case, though serious, does not fall in the category of "rarest of rare".

6. In view of this, having regard to the grave nature of offences, severity of punishment, its impact upon the Society, conduct and age of
