

FIR No. : 666/16
PS : Sarai Rohilla
State v. Mohd. Kasim etc.

09.02.2018

Present: Accused Shahadat Hussain in JC **(in application M.A.No.51/18)**.

Medical report dated 07.02.2018 in respect of accused Shahdat Hussain on his **application (M.A.No.51/18)** received. Medical Officer has reported about medical examination of the accused-applicant on 18.12.2017, 21.12.2017 and 22.12.2017. As further reported by the doctor, Jail Dispensary, Central Jail No.1, report has showed features suggestive of Lipoma, which is a benign condition and that most of the patient do not require any medical / surgical intervention. But the doctor has not specified as to whether accused Shahdat Hussain needs surgical intervention.

Medical Officer is directed to examine the accused-applicant and send report, if he requires any surgical intervention or if only medicines would be suffice in recovery of health of the accused-applicant.

In the meanwhile, Medical Officer to medically treat the accused-applicant for the disease, he is suffering from.

Be put up on 08.03.2018 for report. Copy of order be sent to Supdt. Jail.

So far as accused Gulam Mohammad is concerned,

on 20.01.2018, he requested for proper medical treatment in respect of his teeth ailment from Dentist. As per report dated 01.02.2018 received from Medical Officer coupled with OPD Card dated 31.01.2018 issued by DDU Hospital, Accused Gulam Mohammad has been advised medical treatment as prescribed therein.

Be put up on 08.03.2018, date already given, for report.
