

Ejectment Suit 2098 of 2012

30.05.2018.

Today is fixed for further cross-examination of the PW1. Plaintiff filed hazira. Defendant prayed for time.

Heard both side. Perused the record along with the petition. Considered. It is submitted by the Ld. Advocate for the plaintiff that the time petition filed neither by the advocate on record nor by the conducting advocate. He prayed for necessary order. Ld. Advocate appeared with the time petition admittedly stated that neither he is advocate on record nor he is the conducting advocate.

Considering all, it appears that the time petition is not maintainable and thus liable to be rejected. But at the same time, it appears from the record that the instant record is going on contest and on the last occasion, the PW1 was cross-examined in part and thus, keeping in mind the same, I am inclined to give an opportunity to the defendant and at the same time I am inclined to show cause him.

Hence, it is,

ORDERED

That the time petition filed on behalf of the defendant is hereby stands rejected as not maintainable.

That the defendant is hereby show caused that why the evidence of PW1 will not be closed.

Fix.....for show cause by defendant, further cross of PW1, I/d close.
