

**Order dated 20-06-25**

Today is fixed for hearing of petition and payment.

It appears from the record in Misc. Crl. Case no. 28 of 24 that the said case was dismissed for default by this court vide order dated 17-04-25 and interim order dated 08-10-24 passed by this court in the said case out of which the instant execution case arose, stands vacated for the non-prescription of the petitioner.

Be that as it may, the instant execution case has also lost its footing in view of the aforesaid dismissal order and hence this case stands disposed off.

In case, the said Misc. Crl. Case is restored by the court, the petitioner is given liberty to file a fresh execution case for the execution of any interim maintenance, if any ordered.

Hence, the instant execution case stands disposed off.

Note in the CIS.
