Order passed below Exh-1 in S.C.C. No. 519/2022
State Vs. Uttam

1. Perused record of the case. It appears that the accused Uttam Baburao Pawar is charged for the offence punishable under Section 65 (e) of the Maharashtra Prohibition Act.
2. Perusal of roznama shows that the accused is absent since filing of charge-sheet. Therefore, summons, bailable warrant and non-bailable warrant were issued against the accused. However, the prosecution failed to secure presence of accused till today. It is seen that present matter was registered in the year 2022. C.A. report is not filed in present matter. Moreover, it is summary in nature. In such premises, I am of the opinion that no purpose will be served by keeping the present matter in idle condition. Therefore, it is just and proper to stop proceeding of the present case in view of section 258 of the Criminal Procedure Code/ 281 of Bharatiya Nagarik Suraksha Sanhita. It appears that police-officer disposed off all muddemal.

Therefore, no order in that regard. In result, I pass following order.

1. The proceeding of the S.C.C. No. 519/2022 State Vs. Uttam is hereby stopped under Section 258 of the Criminal Procedure Code/281 of Bharatiya Nagarik Suraksha Sanhita.
2. The accused Uttam Baburao Pawar is discharged for the offence punishable under Section 65 (e) of Maharashtra Prohibition Act.
