SUBHASH Vs. MANJU RANI

28.01.2026

Pr. None.

The matter is at the stage of final arguments.

Perusal of record reveals that none is appearing for the plaintiff despite service of Court notice since 22.03.2021. By way of the instant suit, the plaintiff has sought the relief of partition, declaration, permanent and mandatory injunction, however, inadvertently, no issue with respect to the relief of partition has been framed on 26.10.2017. In terms of order XIV Rule 5 CPC, this Court is framing an additional issue, which shall read as under:-

1-A. Whether the suit property is liable to be partitioned, if so, in what manner and what would be the share of the parties? OPP.

As additional issue with respect to the main relief of partition has been framed today, it is essential that evidence be led by the parties on this issue.

Accordingly, the matter be listed for plaintiff's evidence on 13.03.2026. Court notice be issued to all the parties as well as to their respective counsels for the date fixed.
