

ORDER BELOW EXHIBIT 1 IN Special Execution Petition. No.

02/2025

1. The Decree Holder has filed this execution petition to recover sum of Rs. 7,53,30,657/- from Judgment Debtor. Looking to the records of the present petition it is evident that in present matter none present for Judgment Debtor since 19/12/2025. Further Decree holder is also remained absent for further proceeding against Judgment Debtor at his end since 19/12/2025.
2. Today, the Decree Holder name had been called out but the he had not remained present before this Court till 05.00PM.
3. It is the duty of the Decree Holder to remain present before the court and it is also evident from the absence of the Decree Holder that he is not interested to proceed with the execution and this matter is only lying in the Court and adding on to the burden of the Court. Also parties want everything to be done in the interest of justice, but seriously they remain absent from the court which really poses a question that whether it is 'interest of justice' or 'in the interest of Justice'. What is the interest of justice? The answer is to give justice, but when the party who is there and has filed the matter is not interested with the matter by remaining absent, the bracket of interest of justice turns into grave injustice to justice and justice delivery system. It seems that the Decree Holder has no interest with the present petition, thus I pass the following order.

ORDER
