The plaintiff has filed the suit for recovery against the defendants. In paragraph 20 of the plaint, it has been averred that this Court has the territorial jurisdiction as the defendants reside within the territorial jurisdiction of this court. However, the said averments does not conform with the memo of parties in which addresses of all the defendants are that of Mumbai. However, the counsel for the plaintiff submits that as per the appointment letter which is on page 26 of the paper book, the place of work of the plaintiff was in Delhi office of the defendants.

On the basis of the appointment letter, this Court is *prima-facie* of the opinion that this Court has the territorial jurisdiction to entertain the present suit; the issue of jurisdiction though is left open.

Issue summons of the suit to all the defendants on filing of PF through all modes and electronically as well, returnable on 01.11.2021.
