

14 MACT 271/23
RAHIL KHATOON Vs. UNIVERSAL SOMPO
GENERALINSURANCE CO.

20.11.2023

Present: Sh. SPS Chauhan, Ld. Counsel for petitioners alongwith
petitioners.

Certified copy of chargesheet perused. Case is stated to be based on circumstantial evidence but neither seizure memo of the offending vehicle nor any other such document is filed on record to show how the offending vehicle is traced out and whether the same was seized on the spot. I have perused the FIR, which reflects that the same was registered after a gap of four days.

Petitioners are directed to file on record the relevant record with seizure memo and be put up on 11.01.2024.
