Ravinder Kumar Jain vs. Saurabh Singh

19.03.2026

Present: Sh. Aman Saini, advocate appeared in court whereas
Sh. L.S.Saini, advocate for applicant in VC.
Respondent with Sh. Arun Kumar, advocate.

Reply not filed on the ground that copy of the transfer application sent on whatsapp was found corrupted and thereafter fresh copy was sent.

Put up this matter on **23.03.2026** for reply and arguments on transfer application. The request made by the counsel for applicant again to stay the proceedings of the Id. Appellate Court is declined as the appeal is pending for the last morethan one year and the applicant has approached for transfer at very belated stage. He knew since beginning that different appeals were filed by the applicant which were assigned to different courts but when one court has taken a lenient view by disposing off two appeals, then the applicant wants that his left over appeal be sent to the same court which has already taken the lenient view.
