

‘Jagpreet Singh Versus State of Punjab’
FIR No.118/2018 of P.S.Bhikhiwind.
Under Section 307/336/323/148/149 IPC and Sec.25/27 of Arms Act, 1959.

Present: Shri R.P.Lumba, Advocate for the accused-applicant.  
APP for the State.

Apprehending his arrest in the above captioned case, the accused-applicant Jagpreet Singh has come up with a prayer for the concession of anticipatory bail under Section 438 Cr.P.C.

Upon notice, the investigating agency has produced records of the case which I have perused carefully and have also heard the learned counsel for accused-applicant and learned APP for the State.

As it emerges out of records, the occurrence in this case is the further outcome of a scuffle which took place between the complainant Samandeep Singh, a student of +1 in DAV School, Amritsar Road, Bhikhiwind and the accused Jagpreet Singh alias Jagga and Manmohan Singh Mohna as the complainant tried to dissuade the said accused from slapping one Tanbir Singh as a result of which the matter was sorted out. However, after the school time was over and the complainant came out of school, the present accused armed with a Rifle, co-accused Manmojan Singh armed with a Datar and co-accused Raja Pattu armed with a revolver and accompanied by 2-3 unidentified persons, were standing outside the school and they all caused hurt on the person of the complainant and during the course the present accused also fired shots towards the complainant with intent to kill him.

Considering the nature of allegations and the gravity of offence when particularly specific act of firing shots towards the complainant has also been attributed to this accused and further when recovery of the said weapon of offence is also to be effected, I am of the considered view that the accused has failed to make out any case for the grant of anticipatory bail and as a result, his application for the purpose stands dismissed. Papers be consigned to Record Room.
