

**IN THE COURT OF THE I ADDL. DISTRICT & SESSIONS
JUDGE, DHARWAD, SITTING AT: HUBLI.**

SC No.5100/2022

PW.30/ CW.76

Deposition of : Dayanand Sajjan
Father's name : Basavaraj
Age : 40 Years.
Occupation : Senior scientific officer, RFSL Belagavi
Residence : Belagavi.

Witness duly sworn on: 29-07-2026

Examination in chief by Spl.Public Prosecutor: Through VC

I am working as Scientific Officer in Toxicology Section at RFSL Belagavi since 2019.

2. On 18.07.2022 RFSL Belagavi received two sealed articles in connection with Crime No.97/2022 through C.W-63, Police Constable. The seals found on the articles were intact and tallied with the sample seal. The description found on the articles corresponded with that of those present in the invoice. The articles were marked as 01 and 02 by the I.O.
3. On opening the seal articles it contained blood and the article No.2 contained saturated sodium fluoride solution. On subjecting both these articles, for analysis, residues of Volatile poisons including Ethyl alcohol, Pesticides, Drugs, Alkaloids, Toxic metal ion and anions were not detected in the above stated articles. I have uploaded the detailed report on FLMS portal, by digitally signing the same. Witness identified the opinion and the same is marked as Ex.P133.

Cross Examination by Sri RGK advocate for accused-2

It is not correct to suggest that, without examining any articles I have issued Ex.P133 at the behest of the police.

Cross examination by Sri. ARP for accused No.1

Submits that, he adopts the cross examination by Accused No.2.

Re Examination : NIL.
