SHAPOORJI PALLONJI AND CO. PVT. LTD AND SHAPOORJI
PALLONJI QATAR W.L.L. v. M/S MISFIT ENGINEERS

28.11.2025 (At 12:14 p.m.)

Present: Ms. Akshita Salampuria, ld. counsel for plaintiff.

An application has been filed on behalf of plaintiff, thereby seeking permission to amend the memo of parties and the plaint. Proposed amended plaint with fresh Statement of Truth and a set of documents (which have already been filed with the earlier plaint) were also filed.

Heard and perused. Ld. counsel seeks amendment as per Order VI Rule 17 CPC to change the memo of parties only and to make a natural person as defendant/proprietor of the defendant firm. Application is allowed.

However, the proposed plaint has to be filed again because the verification clause is not properly authenticated while making additions and corrections therein. The additional set of documents filed with proposed plaint is being returned back, because there was no need to re-file the documents which were already filed with the previous plaint. Fresh amended plaint with supporting affidavit and Statement of Truth be filed. Put up on 13.12.2025.
