counsels for plaintiff.

Submissions heard on the amended plaint. I find that the respective paragraphs in relation to limitation and territorial jurisdiction do not explain the relevant facts, so as to show how the suit is within limitation and how territorial jurisdiction of this court has been invoked. Plaintiff is advised to file fresh amended plaint and it is made clear that plaintiff has to plead the facts before reaching to or before giving any particular conclusion.

Put up on 18.03.2026.
