1] The applicants have filed this application for grant of bail under section 483 of the BNSS in C.R. No.128/2026 of Wadwani Police station for the offence punishable under Section 309(6) r.w. 3(5) of

B.N.S.

2] It is the case of prosecution that informant Babasaheb Suryabhan Jadhwar alongwith his family members is residing at Burujdara Tanda, Tal.Wadwani, Dist.Beed. On 01/07/2026 at about 05:50 p.m. informant alongwith driver were proceeding from weekly market to their house by Tractor. He has kept amount of Rs.50,000/- in his pocket of pant lent by Balasaheb Nagargoje for marriage ceremony. At that time his son Nitin was coming on motorcycle from their back side. When they came below Sarkarkhori Tanda Railway bridge two persons came in front of their tractor. One of them pulled informant out of the tractor and assaulted him. They have forcibly taken amount of Rs.50,000/- from his pocket. They have assaulted him by means of sharp bracelet (Kada) in their hand on his head. At that time tractor driver Uttam ran away. Nitin came there from backside. Informant stated him about the incident. At that time two remaining persons came there and they assaulted Nitin by means of sharp bracelet on his head and gone away. Therefore, informant came to Wadwani Police station. Police referred him to Rural Hospital, Chinchwan. Therefore, he lodged the report. During the investigation it was revealed that applicants and co-accused committed robbery.

3] The learned Advocate for applicants submitted that investigation is almost completed. Applicants are innocent and have not committed alleged offence. They are falsely implicated in this crime. Allegations are vague and general in nature. Applicants are labours and the only earning members of their family. Applicants are having permanent place of residence at the address mentioned in the

application. They are law abiding persons. They are not likely to flee from justice, if released on bail. Therefore, applicants prayed for grant of bail.

4] The learned A.P.P. has strongly resisted the application by filing say (Exh.7) stating therein that alleged offences are of serious nature. There is prima facie material on record against them. There is danger to the life of informant, if they will be released on bail. There is possibility of tampering of evidence and pressurizing of informant and witnesses by the applicants, if released on bail. It will become difficult to secure the presence of applicants, if they will be released on bail. Hence, learned A.P.P. prayed for rejection of application.

5] Perused the application and the say of ld. A.P.P. Heard Advocate for the applicants and Learned A.P.P. for the State.

6] On perusal of record, it reveals that investigation is completed. It appears from record that nothing is to be recovered from the possession of applicants. It appears from the record that applicants are having permanent place of residence at the address mentioned in the application. It appears from record that applicants are labours. It also appears that they are the only earning members of their family and their family members are dependent upon them. It appears that there is no material evidence on record which indicates that applicants will flee from justice, if he will be released on bail. There is no material on record to show that applicants will use their liberty to subvert justice or tamper with the evidence. It prima facie appears from record that there is no reasonable apprehension of tampering with the witnesses.

7] In the circumstances of the case in my opinion, no purpose will be served by further detaining applicant in jail. The apprehension of the Investigating Officer, can be met with by imposing certain conditions on the applicants. Considering the above reasons, applicants are entitled for grant of bail with certain conditions. Hence, I proceed to pass the following order.
