

17 CS (COMM.) 270/26

WINGS PHARMACEUTICALS P LTD v. IGMA LTD.

25.04.2026 (At 01:21 p.m.)

Present: Sh. Sachin Gupta, Ms. Sunita and Ms. Charu Raghav,
Id. counsels for plaintiff.

Rectified plaint with rectified affidavit under Order XI Rule 6 CPC and some more judgments passed in other cases, have been filed today. While hearing the submissions of Id. counsel and perusing the documents placed on the record, it was realised that plaintiff has not filed colour prints of its trade marks and registration certificates.

In my opinion for true picturisation of the trade marks, it is necessary to have colour photographs of the relevant documents including registration certificate etc., wherever the trade mark/trade dress is being reflected. However, such document have to be filed in proper manner i.e. with list of documents and with signature of the parties as required in Commercial Suit. It is informed that AR of plaintiff is not available today. In these circumstances, matter is adjourned today.

Put up on 04.05.2026.
