3)	Outcome of case	Bail rejected.
(F) Coercive Processes		
1)	Whether any non bailable warrant was issued.	-----
2)	Whether declared a proclaimed offender	-----

This is second application filed under Section 483 of Bharatiya Nagrik Suraksha Sanhita, 2023 (hereinafter “BNSS.”) for regular bail.

2] As per the case of prosecution, on 19/03/2026, the applicant accused was found in possession of 796 Gram powder mixed with Amphetamine Methamphetamine. Therefore, above numbered crime registered against him.

3] The applicant accused has prayed for bail on the grounds that he has no criminal antecedent. During police custody of 3 days, nothing is recovered from him. Investigation is completed and charge-sheet is filed. The exact quantity of alleged contraband has not been specified. The alleged recovery was not in presence of Gazetted Officer. On such grounds, he has prayed for bail.

4] The prosecution has filed say at Exh.6. It is stated that 796 Gram powder mixed with contraband is seized from the applicant. As the quantity of seized powder is of commercial nature, Section 22(c) has been added. The powder was purchased from accused No.2, therefore, he is implicated in the crime and Section 29 is added. The sample was sent to the C.A. However, no narcotic drugs is detected in it. Therefore, it is prayed for appropriate order.

5] Heard learned Advocate Shri. V. N. Thombare for the applicant accused and learned APP Shri. Waman T. Koli for the State. Perused charge-sheet.

6] Learned Advocate for the applicant accused and APP for the State argued as per application and say.

7] The earlier bail application was rejected by my learned predecessor mainly on the ground that the quantity of mixed powder is of commercial nature. At that time, FSL report was not received. After deciding the earlier bail application, the prosecution has filed copy of FSL report along with say. It is seen from the said report that results of the tests for detection of any narcotic drug in the exhibit are negative. However, nicotine is detected in the exhibit. Thus, the initial field test report is not confirmed in the laboratory analysis. As there was no narcotic drug detected in the sample, I am satisfied that there are reasonable grounds for believing that the applicant accused is not guilty of alleged offence. He has no similar antecedents. Therefore, I am satisfied that the applicant is not likely to commit any offence while on bail. Thus, twin conditions are satisfied due to negative report of FSL. Hence, I pass the following order -

ORDER

- (1) The application is allowed.
- (2) The applicant accused **Rohit Trimbak Ambekar** be released on bail in C. R. No. 98/2026 registered with Lonikand Police Station, Pune for the offence punishable under Section 22(B), 8(C), 17(a), 22(c) and 29 of NDPS Act on his executing PR bond of Rs.50,000/- and a surety in the like amount on following conditions -

- (A) That he shall not directly or indirectly make any inducement, threat or promise to any person acquainted with the facts of the case so as to dissuade him from disclosing such facts to the court or to any police officer or tamper with the evidence.
- (B) The applicant shall furnish proof of his permanent residence, temporary residence and mobile number within one month from date of release.
- (3) Soft copy of the bail order be sent to the accused through Jail Authority.

Pune.
Date - 29/07/2026

(S. R. Pawar)
Additional Sessions Judge,
Pune.
