

14 CS (COMM.) 270/26

WINGS PHARMACEUTICALS P LTD v. IGMALTD.

23.05.2026 (At 11:30 a.m.)

Present: Ms. Prashansa Singh, Ms. Sunita and Ms. Charu Raghav, ld. counsels for plaintiff.

Amended plaint, court fee (verified/locked) in the sum of Rs.27,932/-, fresh Statement of Truth in support of rectified plaint, have been filed today. A document i.e. CA certificate with list of documents has also been filed separately today.

On perusal of rectified plaint, I find that plaintiff has given specific specified value, which satisfies the direction given by this court on last date. However, on further perusal of the plaint, I find that specific facts have not been pleaded to disclose how territorial jurisdiction of this court has been invoked. Plaintiff has merely pleaded about availability and sell of impugned products of the defendant in Delhi. But Delhi has eleven (11) districts within the knowledge of every legal experts and therefore, there is need to plead specific fact, which is even otherwise the rule of pleading. In the pleading, the party has to plead fact before giving a particular conclusion. Therefore, plaintiff is advised to again go through the pleadings i.e. contents of the plaint and to ensure that all requisite basic facts are specifically pleaded. Fresh rectified amended plaint be filed accordingly.

Put up on 03.06.2026.
