ORDER BELOW EXH. 1
(Passed on 04.07.2026)

1. Acting upon the order below Exh.43, the instant execution petition is taken on today's board.
2. Manager Shri. Prasad Pramod Daptadar on behalf of decree-holder along with their learned advocate Shri. A. S. Kulkarni is present. The decree-holder is duly identified by his advocate. The decree-holder has filed withdrawal pursis (Exh.44) and thereby informed the Court that since the instant proceeding is resolved and decided to be transferred to Special Recovery and Sale Officer, on its strength they wish to get it withdrawn. In support thereof he has filed a copy of Resolution No.8 dated 28.06.2026 in respect thereof.
3. I have verified the contents of the pursis from the Manager of the decree-holder to which he has stated that they wish to get their amount as resolved and informed above. He has expressed his will to withdraw the instant petition unconditionally. Thus, I am satisfied that he really wants to withdraw the same. Considering the nature of the proceeding vis-a-vis reason put forth by the decree-holder along with oral submissions of their learned advocate, the petition is liable to be disposed of as withdrawn. Hence, the order :-
