ORDER

15.05.2026

1. Vide this order, I shall dispose off the present

petition filed under section 9 of the Arbitration and Conciliation Act, 1996 (hereinafter referred to as 'Act' in short) praying for appointment of receiver to take possession of equipment/vehicle Make **Tata Signa 5530 FBV_CV** bearing registration no. **NL01AH2315** engine no. **32D95418342** Chassis no. **MAT828048PAD05617** (*hereinafter referred to as 'equipment/vehicle in question'*) and also for few consequential reliefs.

2. Briefly stated, the facts of the case as made out from the petition filed under section 9 of the Act are that respondent approached the petitioner for grant of loan facility for purchase of the equipment/vehicle in question; the petitioner acceding to the said request of the respondent provided finance facility (Loan) of **Rs 55,00,458/-** to the respondent vide a written Loan Cum Hypothecation Agreement bearing No. **TCFCV0310000012104242** dated 09.06.2023 duly concluded between the petitioner and the respondent.

3. It is averred that as per the terms and conditions of the said loan, the respondent was bound by the terms and conditions, as enumerated in

the said Agreement/contract and to repay the said loan amount, alongwith interest thereupon, in equated monthly instalments of Rs. 1,22,994-; the respondent was liable to repay the loan amount in total 59 EMIs but has failed to adhere to the schedule and has defaulted in repayment of more than 3 monthly installment.

4. It is further averred that the respondent has failed to make the payments, as per the schedule as agreed to, between the parties hereto; as such the petitioner was constrained to recall the loan facility extended to the respondent, vide legal notice dated 08.08.2024, served upon the respondent.

5. According to the petitioner, as per the terms and conditions of the Loan Agreement, duly executed between the parties, it was specifically agreed that any dispute arising out of or in connection with the said loan facility, shall be referred to and resolved by Arbitration, in accordance with the provisions of the Arbitration and Conciliation Act, 1996; as the respondent has failed to comply with the terms & conditions of the loan facility, and further failed to respond and/or comply with the loan recall notice dated

08.08.2024, as such dispute has arisen between the parties and the petitioner initiated the Arbitration proceedings and vide order dated 25.03.2025, an award was passed but it cannot be executed as per latest judgment of Hon'ble Supreme Court of India i.e. "Central Organization for Railway Electrification Vs. M/s ECI SPIC SMO MCML (JV) A Joint Venture Company" Civil Appeal nos. 9486-9487 of 2019.

6. It is therefore prayed that to protect the interest of the petitioner, a receiver may be appointed to enable the petitioner to take possession of the said equipment/vehicle in question entrusted to the respondent, as the same is the subject matter of the Arbitration.
7. Notice of the present petition was given to the respondent. An affidavit of service has already been filed by the Ld. Counsel for the petitioner. Record would indicate that despite service, respondent failed to appear before the court. Accordingly, respondent is being proceeded exparte.
8. Ld. Counsel for the petitioner submitted that respondent is not appearing before this court deliberately despite service. He submitted that

respondent is in default of more than 3 continuous installments. He further submitted that in case the equipment/vehicle in question is not taken into possession by the Receiver, to be appointed by this court, the petitioner would suffer irreparable loss. It was also submitted that the petitioner is planning to initiate the fresh arbitration proceedings against the respondent in accordance with the law as the existing award is *non est* in the eyes of law.

9. I have heard the Ld, counsel for the petitioner and have also gone through the record.

10. In the case of *New Morning Start Travels vs Volkswagen Finance Pvt. Ltd., AIR OnLine 2020 Del 1809* regarding standards to be adopted for grant of interim measures under section 9 of the Act, Hon'ble High Court observed as under:-

“12. The standards to be adopted for grant of interim measures under [Section 9](#) of the Act are akin to the standards that are applied for grant of interim injunction under Order XXXIX Rules 1 and 2 [CPC](#) and for appointment of a Receiver under [Order XL CPC](#). The disposal of [Section 9](#) petitions without even hearing the Respondent is contrary to all settled tenets. Moreover, the grant of ex-parte injunctions, ex-parte interim measures or appointment of Receivers at the ex-parte stage would be governed by principles akin to [Order XL CPC](#) wherein there has to be a grave and imminent apprehension that the property would not be able to be retrieved if notice is

issued. The appointment of Receivers at the ex-parte stage in matters such as vehicle loans ought to satisfy the test of imminent threat. The Court also ought to come to a conclusion that there was a deliberate intention not to repay the loan. Thus, out of the total instalments due and payable, the Court has to see the conduct of the borrower including the irregularity of payment, the total amounts paid till date, any other extenuating or other factors such as the present pandemic which could justify non-payment etc. The appointment of a Receiver to take possession at the ad-interim stage could lead to the buses which are being used for the everyday business of the Petitioner being seized by the finance company, thereby causing the Petitioner's business activities to come to a grinding halt. The standard that would be required to be satisfied for such an extreme measure should be high. Moreover, disposal of a [Section 9](#) petition on the first date itself would be contrary to the basic principles that govern the adjudication of such petitions.”

11. Adverting to the case at hand, prima facie, it has come on the record that the petitioner disbursed a loan in the sum of **Rs. 55,00,458/-** to the respondent, vide a written Loan Cum Hypothecation Agreement bearing No. **TCFCV0310000012104242** dated 09.06.2023 duly concluded between the petitioner and the respondent but the respondent failed to comply with the terms & conditions of the said loan facility, and further failed to respond to the legal notice dated 08.08.2024. It has also come on the record that the respondent, despite the service of the notice of the present petition, neither paid the

outstanding amount nor handed over the possession of the equipment/vehicle in question.

12. From the circumstances, as narrated in the petition, it appears that there is a deliberate intention on the part of the respondent not to repay the outstanding amount to the petitioner. Thus, the petitioner has been able to make out a *prima facie* case in its favour and balance of convenience also rests in favour of the petitioner. Since, there is a grave and eminent apprehension that the respondent may dispose of the equipment/vehicle in question in order to defeat the claim of the petitioner and same may not be able to be retrieved, therefore, if the prayed made by the petitioner is not acceded to, the petitioner may suffer irreparable loss.

13. In the given facts and circumstances and in the interest of justice, **Mr. Ramniwas Sharma**, AR of the petitioner, is appointed as receiver to take the custody of equipment/vehicle Make **Tata Signa 5530 FBV_CV** bearing registration no. **NL01AH2315** engine no. **32D95418342** Chassis no. **MAT828048PAD05617**, wheresoever in whom so ever possession it is found subject to the following :

The receiver shall carry out video recording of the auction proceedings and shall submit the same before the arbitrator alongwith his final report. The respondent(s) shall be at liberty to participate in the Auction proceedings and to complete all formalities of the Auction including bidding in the auction.

(xii.) The receiver shall submit his interim report before this Court within 10 days of taking the custody of the vehicle alongwith the photographs and inventory mentioned above and if the vehicle is sold in the Auction then the Receiver shall also submit final report within a period of 10 days from the Auction.

(xiii.) The petitioner is directed to take appropriate steps for initiation of arbitral proceedings against respondent within 90 days from today in term of Section 9(2) of the Arbitration and Conciliation

(Amendment) Act,2015 failing which the above order shall stand vacated.

(Kotak Mahindra Prime Ltd. v. Kamal Chauhan & Anr. O.M.P (I) no.540/2015 & I.A. No.25026 decided on 23.12.2015)

14. The petitioner shall strictly comply with the conditions, as stated herein above, imposed by this court.
15. The aforesaid order being interim in nature, it is made clear that this court has not adjudicated any liability of the respondent. The liability , if any, has to be adjudicated in accordance with law by the Arbitrator to be appointed in accordance with law.
