ORDER BELOW EXH.1 In Succession No. 1089/2022
(Passed on 24.04.2024)

The applicant has filed the present application under section 2 of Bombay Regulation VIII,1827. However, today the applicant and her learned advocate absent when called, repeatedly. On perusal of record, it appears that on 02/03/2024 the order below Exh.1 was passed and the matter was fixed for dismissal order. After perusal of Roznama, it reflects that the applicant fails to take further step in the matter despite giving direction to take step and file publication on 23.10.2023. Since then applicant and her advocate continuously absent and no steps are taken . The matter is pending for the step of applicant. Moreover, publication is not filed on record. No adjournment application is filed on record since 23.10.2023. It appears that inspite of sufficient opportunities, the applicant and her learned advocate have not appeared before the court for taking further steps. It appears that the applicant has not interested to proceed with the application. In such circumstances, no purpose will be served by keeping the application pending. Hence, it is just and

proper to dismiss the application for want of prosecution. In the result, I pass following order.

ORDER
