ORDER

Counsel for the parties present. Counsel appearing on behalf of the respondent has submitted that the respondent be given time to file objections. The perusal of the file reveals that on 22-04-2026, the respondent had appeared in person and had sought 20 days time to deposit the awarded amount. Whereafter, on 04-06-2026, the respondent again appeared in person and stated in open Court, that the petitioner had applied for an out of Court settlement. On the last date of hearing also, the respondent submitted before this Court that the settlement is being worked out between the parties. This clearly reveals that the respondent is merely delaying the execution of the award dated 31-07-2021 and to that effect contrary statements are being given by the respondent. As such, the respondent is directed to remain present in person before this Court to explain his position on the next date of hearing. Put up on 11-08-2026.
