

Order passed below Exh.1

The present case is taken on board for disposal u/s 258 of Cr.P.C. for Special Drive for the Month of November- 2022. Perused the record of the case and its order-sheet. From the record it reveals that, in the present case charge-sheet is filed on 05.04.2016. Admittedly final report was filed on 05.04.2016 and thereafter, the accused continuously remain absent. Since then the case is pending for the appearance of accused. Under such circumstances there will be no purpose sufficed to keep this matter pending. Matter is summary in nature. Now, nothing survives in the present matter as even the complainant is having no grievance against the accused as he of his own does not appear in this matter. If he had some grievance against the accused definitely he would have approached this court, for securing the presence of the accused as well as for conducting the trial. But nothing is done and hence, under such circumstances and as the matter is quiet old one no purpose will be served in keeping the present matter pending. Hence, the accused is discharged from the offenses punishable under Section 122(c) of the Bombay Police Act as per section 258 of Cr.P.C.
