Case called out .

Complainant absent.

Counsel for complainant present and again prays time.

Perused the order sheet, the complaint was filed in the year 2018, till today the complainant did not take proper steps, even this court has repeatedly issued summons to the accused as submission made by the counsel for complainant but it was unserved as complainant has not furnished proper address of the accused.

Therefore, it shows that the complainant is not interested to proceed with the case and it is an oldest case in the year 2018. Hence prayer rejected.

Hence the present complaint is dismissed for default of the complainant.
