The present order will dispose of the bail application filed by the above named petitioners, who are in custody allegedly for commission of offences punishable u/ss.296/109/115(2)/127(2)/3(5) of BNS in connection with Sadar PS Case No.469 of 2026 corresponding to GR Case No.1882 of 2026 pending in the file of learned SDJM, Kendrapara. A certificate has been filed by the petitioners that no other bail application in connection with the present case is pending before any other court.

2. Heard the learned counsels for the parties. Perused the FIR, statement of the witness, and other documents available in the case record. The FIR in the instant case has been lodged by one Urmila Mallik wherein it has been alleged by her that on 07.08.2026 her son along with her husband had gone to Family court Kendrapara to attend a case proceeding initiated by her son. While returning the present petitioner no.1 along with others abused her son and husband and when they protested, her son was assaulted.

3. In course of investigation, the informant reiterated her allegations made in the FIR. From the said statement it transpires that her son Rudra was assaulted by fist and kick blows. It may be noted here that arising out of the same occurrence, on the basis of the FIR lodged by petitioner no.1, Sadar PS Case No.468/2026

BLAPL. No. 238 of 2026

corresponding to GR Case No.1881 /2026 has been registered and in the said case the informant of the present case along with her son and husband have been forwarded to the court. It may be noted here that during the hearing of the instant bail application on the prayer of the learned counsel for the petitioners, the case record in GR Case No.1881/2026 which was available in this court in connection with BLAPL No.239/2026 was perused. At the time of their forwarding to the court, they were medically examined and such medical examination reports that none of the family members of the informant and so also the informant herself has not sustained any external injury on their respective persons.

Prima facie on reading of the statement and the materials collected during the investigation, it appears that the present case arises out of matrimonial dispute between the parties. The statement of none of the witnesses coupled with the injury reports *prima facie* reveals a case u/s. 109 of the BNS. All other offences alleged are bailable in nature.

4. Therefore taking into consideration the nature of allegations made, the fact that the present occurrence arises out of matrimonial dispute between the parties and taking into consideration that no external injuries have been sustained by the informant or any of her party members, I am inclined to release the petitioners named above, on bail. Accordingly the bail application is ***allowed***.

The learned SDJM, Kendrapara is directed to release the petitioners on bail on such terms and conditions as it deems it fit and proper.

Send a copy of this order along with the L.C.R to learned S.D.J.M., Kendrapara for information and necessary action. The copy of the order be also forwarded to Secretary DLSA as well as the Superintendent of District Jail, Kendrapara through their respective e-mail Ids forthwith for their information.
