All accused on bail

Perusal of the file shows that charge is yet to be framed in the matter and same could not be framed for want of opinion of the autopsy surgeon on the postmortem report which was to be given after filing of the viscera report which seems to have already been filed but it appears that no opinion was filed by IO on the postmortem report after filing of the viscera report wherein intoxication of certain percentage has been shown. Report further reveals that IO has already taken VRS. Let SHO concerned be sent notice for seeking opinion of the autopsy surgeon. It appears that notice despite direction has not been issued in this case. Ahlmad is warned to be careful in future.

Let SHO concerned be sent notice to seek opinion of the autopsy surgeon on the basis of viscera report which has already come on record. Since IO is no more in service, SHO concerned be sent notice with direction to obtain the report and file in the court on or before the next date of hearing failing which he shall appear in person.

Copy of this order be also sent alongwith notice to SHO. Notice be issued today itself.

List for further proceedings on 16.12.2017.
