Vide this order bail application filed on behalf of accused  
Pramod shall be decided.

It is submitted in the bail application that other co-accused  
persons who had been sentenced by this court have been released on bail  
pending their appeal. It is further submitted that applicant is suffering  
from various medical issues which eventhough being managed at the Jail,  
are still of considerable trouble to the accused. It is further submitted that  
the accused shall abide by all the bail conditions and shall also appear

regularly before the court.

Ld. Addl. PP for the State has opposed the bail application stating that the present matter is for offence u/s 302 IPC read with other sections of the IPC and offence is grave in nature. It is further submitted that other co-accused have been convicted by this court. It is further submitted that accused/applicant had absconded and was later arrested and there is every doubt that he shall attend the court proceedings.

Submissions considered.

The role of the court is to balance the interest of the parties. There is no doubt that applicant/accused had absconded in the matter and that the matter is grave in nature. It is also a matter of record that other co-accused have been convicted in the matter and are presently on bail pending their appeal. However, as per report received from the Jail Superintendent the accused is suffering from various medical ailments and is regularly being shown at Safdarjung hospital. Considering the medical conditions of the accused, on humanitarian grounds and considering that he had also been in custody for about 4 years, his bail application is allowed subject to furnishing of bail bonds and surety bonds in a sum of Rs. 50,000/- each to the satisfaction of concerned court/Duty MM. Further the accused/applicant is directed to appear before the court on each and every date without fail.

Application accordingly stands disposed of. Order does not reflect on merits of the case.

Copy of order be given dasti.
