

Rajwinder Kaur @ Billy Vs. State

CIS No.BA/2713/2020

CNR No.PBHO010064372020

Present: Sh.Vijay Pardesi, Adv., Id.counsel for applicant.
Sh.Nitin Berry, Id.APP for State.

By way of this order I will dispose of present bail application.

It is argued by the Id.counsel for accused that allegedly 32 gram of intoxicant powder has been recovered from the accused. The accused is in judicial custody since 4.12.2020. Hence, accused be released on bail.

On the other hand, it is argued by the Id.APP for State that the offence being serious in nature, accused be not released on bail.

I have heard the arguments of Id.APP for State and Id.counsel for accused.

The alleged recovery has already been made from the accused and accused is in judicial custody since 4.12.2020. The presentation of challan and its trial shall take long time. The report of the Chemical Examiner is still awaited. Keeping in view this fact, accused is directed to be released on bail on his furnishing bail bonds in the sum of Rs.50,000/- with one surety of the like amount. However, the accused shall surrender before the court if report of Chemical Examiner goes against him. File be consigned to the record room.
