

Again case called at 3.55 PM.
Petitioner and Respondent
are called out absent.

No-representation for the
both the side.

Perused the order sheet and
records.

The petitioner has filed the
petition before the court
31.05.2023.

Since, then the petitioner
continuously remained absent.

There are more than 4 dates,
of hearing running around for 3
months for taking steps. But
the petitioner continuously
remained absent and there is
absolutely no-representation.

This shows that the petitioner
has no interest in prosecuting
this case.

Under this circumstance this
court has no option but to
dismiss the petition for non-
prosecution.

Hence, I proceed to pass the
following:

ORDER

Petition is dismissed for
non-prosecution.

C/c of XV ACMM, B'luru.
